

Meeting minutes of the Pelham Community Hall Accessibility Committee (PCHAC)

Meeting: 11/13/2017

Meeting started at 7:05am

Place : outside of the Pelham Community Hall

Present: Rick Adamcek, Linda Hanscom , Karl Martini

1. Election of chairmen and secretary:
After brief discussion Rick Adamcek was unanimously elected Chair of the PCHAC. Karl Martini Secretary.
2. Next a detailed walk around the building followed, with emphasis on determining options for upgrading the building so that it meets the ADA code. Two of the doors were substantially higher above ground level needing a longer access ramp. Special consideration was placed on keeping the historical character of the building and landscape. Currently it looks as if access to the building from the north door might be the best way to make handicap accessible. We need to investigate possible designs that keep with the above mentioned restrictions.
3. After a short discussion a decision was reached not to buy a temporary Aluminum ramp for the front door. (unanimous)

The meeting ended at 7:35am.

Minutes prepared and submitted by Karl Martini
